Council Partners,

The UHRC is reaching out to share projected calendars for CARE+ locations for the next 20 day rotational period, which will run from January 20, 2020 through February 14, 2020.

Attached, please find projected calendars for the City-wide comprehensive, posted cleanups, as well as service schedules for Operations Healthy Streets, and service sites for the city's five mobile hygiene units.

As you review these projected CARE+ locations, **please note that these sites should reflect the conversations between Council Districts and LASAN's Community Services Group about priority and chronic locations in each District**. If you do not see your priority sites adequately reflected, please reach out to your CSG liaison and we will adjust accordingly.

As a reminder, CARE calendars are set using the shared calendar spreadsheet provided to you by your CSG liaison.

Please don't hesitate to reach out to the UHRC team with any questions.

Thank you!
UHRC Team
